

**Hello,**

As the end of the season is fast approaching, in effort to improve communication with parents we have decided to produce this newsletter.

We have again provided mixed football for children and young adults between the ages of 5 and 18, with many groups having multiple sides, in addition we have two girls' sides that continue to thrive.

We have over 65 volunteers who regularly coach football and assist with the running of the club, without these wonderful people we would not be able to provide football for over 320 children.

It is great to be back at the recreation ground on Saturday mornings, as Chairman of the club I appreciate how lucky we are to have such a great facility, there is no better sight in football than seeing hundreds of children playing and enjoying football at the Rec.

The club has traditionally been strongly supported by parents who make up the committee, unfortunately this year some of the long-standing committee members will be moving on as their children no longer play at the club. We are therefore looking for volunteers to come and join the committee to help run the club.

We have provided a summary of all the roles within the club, if you would like to help please contact me to discuss in more detail. We are a friendly committee and we will provide all the support necessary, no prior experience is required.

I would like to take this opportunity to thank all the existing managers, coaches and committee members as well as those parents who help to run the line and put the goals up. One finally thank you to Kirsty and the volunteers who help to run the coffee shop. Your efforts are all greatly appreciated.

## **Why would I want to join the committee?**

“Without the committee we quite simply do not have a football club. We all recognise the hard work that the team managers and coaches put in each week and we want to do our bit to help ensure that Corfe Mullen United Juniors can provide a happy and safe environment in which our children can enjoy football”. – Kirsty Southern

“It is sometimes hard work but it is rewarding when we get to see the children play especially when they have smiles on their faces at the end of a match.” – Phil Dove

“Before we joined the committee none of us knew what we were doing however the committee work together and support each other to ensure that the club functions well, we are recognised as being one of the premier clubs in Dorset.” - Jo Merifield

## Club Ethos and Philosophy

**“To provide a safe, friendly and happy environment for children of all abilities to enjoy football and to develop both as footballer and person.”**

Corfe Mullen United Juniors based is a voluntary organisation established in 2003 to provide football opportunities for the youth of Corfe Mullen and surrounding areas.

The club (registered with Dorset County FA) operate structured training sessions and participation in Sunday league football (as age appropriate) for boys and girls in the school age groups from Reception to Year 13 (U6-U18).

Each of the age group's teams have their own coaching sessions that are led by FA qualified DBS checked coaches and our Ethos is focused on building teamwork, developing each player's individual skills and understanding of the game in a safe environment, but most importantly encouraging the players to have 'FUN'.

Players are encouraged to develop by attending training sessions and give their best efforts to win a football match, but not win at all costs, ensuring fair play, professionalism and RESPECT are shown at all times.

The club operates a code of conduct for players, club officials, parents/guardians and coaches to promote RESPECT for the rights, dignity, worth and equality of each and every person involved.

Corfe Mullen United Juniors are a Charter Standard Development Club, all coaches commit to gaining as a minimum the FA's Level 1 Certificate in Coaching Football and encouraged to further their development with the FA's Level 2 Certificate in Coaching Football and/or additional FA Youth Modules, in order to deliver consistency and quality coaching to the children.
